WHO WE ARE

OPAM Farms and Foods Limited is an agribusiness company focused on farming operations, food processing, agro-commodity production and distribution across Nigeria's agricultural value chain.

OPAM Farms and Foods Limited operates as a focused subsidiary of OPAM Group, combining sector knowledge, commercial relationships and disciplined execution with the wider Group's strategic platform and partnership network.

VISION

To build a trusted and high-performing OPAM Farms and Foods Limited platform recognised for reliable execution, strong partnerships and sustainable value creation.

MISSION

To deliver commercially sound solutions through disciplined execution, responsible business practices, strategic partnerships and a commitment to client value.

OPERATING PRINCIPLES

INTEGRITY

Conduct business responsibly, transparently and professionally.

EXECUTION

Focus on practical delivery, quality and measurable outcomes.

PARTNERSHIP

Build long-term relationships with clients, institutions and technical partners.

COMPLIANCE

Operate with attention to HSE, regulatory and contractual requirements.

CORE SERVICES

Focused capabilities aligned with the company's operating mandate

01 CROP & LIVESTOCK FARMING

Cultivation and livestock operations across staple crops, cash crops and livestock production.

02 FOOD PROCESSING

Processing and value-addition of raw agricultural produce into market-ready food products.

03 AGRO-COMMODITY TRADING

Sourcing, aggregation and trading of agricultural commodities for domestic and export markets.

04 FOOD DISTRIBUTION

Distribution and supply chain coordination connecting farm output to retail, wholesale and institutional buyers.

05 COLD CHAIN & STORAGE

Storage, warehousing and cold chain infrastructure to reduce post-harvest loss and preserve quality.

06 AGRIBUSINESS DEVELOPMENT

Development of farming partnerships, outgrower schemes and agribusiness ventures.
